Logistic & Supply Services

The success of Seasky Express Project Logistics lies in its commitment to understanding what is required.

Our specialist advisers become fully conversant with the requirements of a project and ensure that customer specified deadline are met.

Our Vision

Our primary objectives are to promote Total Quality Management and to maintain our success through steady investments in our service expansions and innovations. Our goal is to promote health, safety and environmental policy throughout our organization.

Air Freight

Our team of Air Freight professionals follows through on each and every shipment so that our customers can be assured of real-time status reports on all import and export air freight shipments at all times.

Customs Clearance

Seasky Express customs brokers are comprehensively trained to understand complex customs procedures of each specific area of operation.

Ocean Freight

Over the years, Seasky Express Logistics has fostered strong business relationship with all major international and regional ocean carriers

Warehouse Management

Seasky Express warehousing and distribution system will pick, pack, store and distribute consignments anywhere in the region by efficient modes of transport.

OUR SERVICE

Our aim is to exceed the expectations of our customers through total quality management. Our objective is to provide cost effective and reliable solutions to help our customers to realize their goals.
